Establish Men's welfare are ministry and stop all gender discrimination against men.....

### **DESCRIPTION:**

About Men's Rights Fiji is registered NGO fighting for equal rights for Men (MRF) works all areas of Men's welfare, salient ones, being the ones given below:

#### [1] Spreading Awareness on Men's Rights.

- Breaking the myth of protector and provide role.
- Fair understanding of men- role, responsibilities and rights.
- Protest against incorrect representation of men in media.
- Making people aware of the fact, that men are human too.

#### [2] Giving a Quality life for men.

- Breaking the false myth dominated society.
- Spreading awareness on unfair treatment by society to men throughout his life time - As a child, as a young boy, as a married man, and when he is old.

#### [3] Fighting against misandry (male-hatred) prevailing in society.

- Rebel against social mindset of assumption of men being born criminals.
- Train men's emotion and grown for better life.
- Media representation highlighting the plights of men.

#### [4] Providing legal guidance and emotional support of distressed men.

- Tactics and tricks to fight matrimonial disputes and false accusations.
- Working towards lowering suicide rate of men.
- A ray of hope for improving quality of life of men.
- Organization men and formation of support groups.

#### [5] Working towards betterment of Men's health.

- Conducting awareness camps for discussing medical problems of men.
- Sponsoring treatment of male specific medical ailments for the needy.
- Identifying, understanding and fighting stress- points in men's life.

#### [6] Forming Men's Welfare Ministry.

- Men contribute 78% of taxes to the government, yet there no commission or welfare ministry for men.
- Even animals have ministry, women have national commission for women and a separate welfare ministry, why not for men?
- Sustained campaigns and pressurizing government to form men's welfare ministry and national commission for men.

#### [7] Fighting for father's rights.

- Securing minimum of shared child custody and living life with dignity.
- Shared parenting concepts with sharing proportionate child support and maintenance by both the parents commensurate with time spend with the child.

#### [8] Establishing old age home for men.

- Elderly abuse by daughter-in law rampant in society.
- Endeavour to support the aged men and establish old- age homes, with more than 95% of the homeless being males, this is very much needed.

#### [9] Analysis and Research on men's issues in various aspects of life.

- Train men to think towards identifying various aspects of men's issues which society is not aware of and not well recognized.
- Conducting research on gender specific problems faced by men.
